Stephen Thomas is impacting many stations and people with his New Single "Best Days" which is available in all digital stores and is preparing to get back on the road to promote the New Single. Stephen Thomas as a young artist has performed in front of thousands sharing the stage with some of the greatest Artists in the industry whom are listed below.

Stephen has already done interviews with Major TV Networks (MTV, Vibe Magazine, Hype Magazine TCT Network and so much more) at Red Carpet events, making appearances with some of the Biggest Stars in the Entertainment Industry during the 2014 BET Live Experience.

Stephen's latest Music Video release Search Me Lord has received placement on Revolt TV (Sean Combs aka P. Diddy TV Network) playing in between 20 million - 30 million homes worldwide.

Stephen has had the Privilege of being Nominated for many awards (7x Nominee) as well as even winning an award (Breakthrough Artist of the Year) beating the likes of some of the world's most known Artists like Grammy, Stellar, and Dove Nominated and Winning Artists like Lecrae, Deitrick Haddon, Tye Tribbett, Canton Jones, Uncle Reece, and many more, recording as an independent artist.

Stephen's latest release True Praiser a single from his sophomore project Changes released spring 2012 and features producing artist J. Robinson. Stephen has just finished up his First Tour *Changes Tour* as an Independent Artists during the year of 2012 and has been on the road non-stop and releasing music until the year of 2015, which Stephen has taken time from the road to work in the Studio and on a couple things towards his new project.

During the mid year of 2015 Stephen had suffered from some injuries due to a car accident but has been working on a speedily recovery and things have really been going well. However he has been back to now working hard in the Studio and back to the new projects that we can't wait for his fans to see and hear about. Let's just say he's back stronger, better, wiser, and ready to go harder than ever before.

Stephen is an Artist that will leave you breathless with his honest real talk style about the issues that he not only deals with as a young Artist who's a young Christian man, but what many others deal with as men and women who are Christians as well as people living their everyday lives. Don't make the same mistake as many others have done by putting this guy in a box, because You Can't. One minute you may hear this and within the next second you may hear that. Stephen Thomas is such an amazing Versatile Artist that when it comes to his music he's very unpredictable. Not only is he a versatile artist but even during his performances you never know what to expect. Stephen's music makes a statement it's not just amazing lyrics, but lyrics that are sometimes so simple that really there so deep. His style of writing and the way he and his team makes music it contains so much edginess and is so much different than many artists today. It's about the message Stephen says. Stephen

Thomas is an Artist that wants to make you think. He challenges you to bring the best out of yourself through his music, to him it's about encouraging you to become a better you by learning to Love everyone through hurt, pain, Joy and Happiness, by learning to be a forgiving person and most of all learn to live your life to the fullest and cherish those moments with family and friends. Stephen wants to show the people that if they believe, they can overcome, and if they overcome they can succeed.

Here are a couple small quotes from Stephen Thomas.

"Two things that you don't get back are time and family so enjoy every moment in life." - Stephen T.

"I'm human just like you, I bleed the same blood just like you, I even make mistakes just like you, so why am I going to be mad at you when I've probably made the same mistake, but it's okay because we serve a Forgiving God. Now let's link ourselves together and walk this thing out holding each other accountable and holding each other up, but let's learn to forgive when things happen." - Stephen T.

"Everyone is God's people some may have went astray but it doesn't mean that God doesn't still love them. - Stephen T.

One of Stephen's favorite quotes is from the Movie X-Man: Days of the Future Past by Professor X who said

"Just because someone stumbles and loses their path, doesn't mean they're lost forever. Sometimes, we all need a little help." - Professor X

Stephen Thomas is an Artist that hits the stage like no other. Thomas is Highly energetic, Motivational, Inspirational, and will leave you with such an amazing experience that the next time he's back in your city you won't know what to expect. Let's just say we hope you're ready.

Stephen's inspirational message carries out to the masses. Stephen is grateful for the gift he was blessed with that he not only wants to be a blessing back to God but wants to use it to feed and encourage his people of all walks of life. We feed our bodies but we don't feed our mind, nor do we feed our spirit. Just as God loves everyone unconditionally Stephen presses to love everyone the same way.

Stephen is always looking for many ways to better himself not just as an Artist but better himself as a young man along with bettering others as well. He aims to be a great young man of God first and a great young man in general and a great role model on and off the stage.

Stephen has never been married, and doesn't have any children, but has 3 awesome God-Children that he looks to be a great example for along with impacting the lives from the older generation to the new.

Stephen understands the responsibility that comes with being in the spotlight especially with having his mother and a great team of people around him that he has chosen and who God has placed in his life to keep him grounded and rooted. Stephen thinks big and dreams bigger and then pursues those dreams to become not just visions or ideas but reality.

Some of his Ideas are more than just music, he wants to go into doing Films, opening businesses, supplying jobs for others, starting foundations, and helping out many families the young man has many dreams and visions but is a young entrepreneur with such a big heart.

All we have to say is whoever is working with him will always stay busy that's for sure.
