Hannah Grace

SUMMARY

I am a Marshall Alum of 2024 with a degree in filmmaking. I have goals of producing and storytelling art visually. My mission is to tell stories that are not always recognized and share positivity while eliminating stereotypes and stigmas. I work hard on creating a safe space for all and always looking to help others. I want to create work that demonstrates and explains the complexity of human emotion, experience, and mind. Develop stories with a goal of raw experience and good intentions. I am a teampayer and always wanting to try new roles in every job.

SKILLS

Skills with using Adobe Creative cloud softwares:

- Editing on Adobe Premiere Pro from 2020.
- Color Grading since 2021 - Best work made with Adobe Premiere Pro.
- Sound work - sound design - foley.
- Cinematography - I can operate some G7-GH5 cameras from 2021.
- Adobe After Effects since 2022, still working out some technical difficulties but can learn fast and understand.
- Adobe Animator since 2024, still new but able to work around the software.
- Can work on set productions as a production assistant, producer, cinematographer, and assistant director.
- Social Media work: I can help produce, organize, and create content for any outlet!

EXPERIENCE

“Creepalachia”, Milton, WV - Producer, Assistant Director

January of 2025 to present.

Currently working part-time remotely for Creepalachia (JNJ Media Youtube series). I help them organize their social media presence and produce content. Created pages for them on different media outlets (Facebook, Instagram, etc.). Working this summer July of 2025 on a collaborative short film “Mothman Prophets” as producer and assistant director.

“Little Opal”, Huntington, WV - Director, Producer, Editor

September of 2024

My capstone short film I made in my last semester of college. I had written and worked on pre-production for over a year. We produced with a full crew and cast in September and it made it out of post in December of 2024. I wrote, directed, produced, and filmed as well as edited my first official short film.

“Of the Cloth”, Huntington, WV — *Production Assistant*

August of 2024

“Of the Cloth” is a feature film shot and made in Huntington, WV. I was hired on as a production assistant from Tijah Bumgarner. I worked four days on set and was involved in requiring props, helping cast, and getting lunch. I learned set etiquette and communication with all set departments.

***Graceful Films*, Huntington, WV - Photographer**

October of 2023 - Present

My personal small business of photography/editing. I take local in-studio portraits for customers. It is still ongoing and a growing project. With plans to make it a local production company. Crafted in October of last year.

Walmart, Barboursville, WV — *Associate*

March of 2023 - Present

- Working as Online Grocery Pickup Associate
- Practiced retail skills.
- Handles customer service well.

Movable Organization, Huntington, WV — *Internship*

Summer of 2023 till December of 2023

During the internship I held the responsibility of providing three videos. Each video was dedicated or documented to highlight the importance of positivity around the Appalachian area, recovery, and breaking stigmas around substance abuse disorder. Through the program I was able to travel to Healing Appalachia and work alongside Dave Lavender to promote the music festival and the people.

Human Bean, Barboursville, WV — *Barista*

January 2023 - March 2023

- Has worked with a food handlers card.
- Customer service work and care.
- Left because of scheduling issues.

Black by God, Huntington, WV — *Researcher*

December 2022 - December 2022

Black by God, Crystal Good requested some research about Bricktop Ada. Designed and created a research essay about Bricktop Ada, and made a

powerpoint to go along.

Starbucks, Barboursville, WV — Barista

June 2017 - September 2017

- First time job.
- Learned time management skills.
- Learned customer service skills and help.
- Left because of personal reasons.

EDUCATION

Cabell Midland High School, Ona, WV – High School Diploma

August of 2016 - May of 2020, Ona, WV

Earned a high school education, studied for four years. Maintained a 3.0 average and attended extracurriculars "Cabell Midland Rhythm in Red - Show choir". Attended the group for four years. I practiced choreography, directing, and music reading. Also, active in the school's mass communications. I partially earned skills in directing broadcast, editing, and cinematography.

Marshall University, Huntington, WV – Bachelor Degree

August of 2020 - December of 2024

Received a degree in filmmaking with a major in video production and minor in film studies. Studied for 4 years and learned project managing skills, research, and on set (production) skills as well as post-production work.

(MORE PROJECTS IN PROGRESS)

ACHIEVEMENTS

Received a group award with Cabell Midland High School's show choir, Rhythm in Red *grand champs*.

Received two high school senior awards from a mass communications class.

Recognized for my installation work "*Birthday Cake Candles*" and had it published in an art gallery, from May till June of 2024. Location: Marshall's Visual Art Center gallery.

Accepted into two pop up art shows, Minutes Made 2023 and Minutes Made II. First show was an installation projection work, titled "*Working Memories*" (2023). Second show was another installation projection work, titled "*Birthday Candles*" (2024). Location: West Virginia Building.

Attended two student film festivals, was recognized for two works. Marshall University's Student Film Festival of 2022-2023. Works submitted, "Our Sister" (2022) and "Working Memories" (2023).

Attended and received recognition at Artists of the New Youth Film Festival for work "Remembering Her in a Picture" (2022). Show cased in 2023.

Attended and received an award with a group of filmmakers/friends at the Huntington Music and Arts Festival in their 72 Hour Film Challenge of 2024. Film that was recognized was "Munch" where I played an extra and production assistant.

Recognized for my personal/student film "Little Opal" at Marshall University's Student Film Festival of 2025.
