Professional Summary

Licensed Cosmetologist specializing in natural and enhanced nails with a focus on clean, camera-ready manicures. Experienced in high-volume client environments, detailed nail design, and maintaining professional standards under time constraints. Seeking opportunities in film, television, and commercial productions within the Hair & Makeup Department.

Core Skills

- Natural and on-camera manicures
- Short, neutral, and period-appropriate nail styling
- Character-specific nail looks (distressed, lifestyle realism, subtle glam)
- Nail art and detailed design work
- Professional sanitation & safety standards
- Time management in fast-paced environments
- Client communication and professionalism
- Available for full production days and travel

Professional Experience

Licensed Nail Technician / Cosmetologist
Self-Employed – Charleston, WV
2023–Present

- Provide natural and enhanced nail services to diverse clientele
- Maintain strict sanitation and safety standards
- Execute detailed nail art and customized looks
- Manage scheduling, time efficiency, and client expectations
- Build and maintain professional brand presence
